1959

Mrs. M. J. ...

Mrs Merritt,

We certainly do miss you
at R.C.H.S. This last half
but we are hoping you
are very happy in your
new home. English II is
pretty hard but everyone
seems to be getting along
pretty good. I will always
remember you as one of my
favorite teachers. Best of every-
thing in your new home and
to all your students next year.
Stay as sweet as you are and
don't forget us here.

Always,

Brenda Thade

Dear Mrs. Merritt, 58-59

I have really missed you
since you have left. But
I hope you are very
happy in your new
home. I've tried to do
my best in Eng. II.
and I've made real
good grades. The Best
of everything to you and
yours.

P.S. Remember
my awful
H.A.H.A.!

Sincerely,

W. Mickey
Quinn

Mrs. Merritt,

I really do miss
you here. It just
doesn't seem like
the same place.
I know you are
happy in your
new home and I
wish you all the
happiness that can
be granted to one
person.

Sincerely,
Evelyn
Currens

Dear Mrs. Merritt as you know I have worked in the office this year. I saw your annual here so I thought I would write and tell you how much I have missed you. Remember all those old absentee list I waited on ha, ha, but I didn't mind. Loane County High School just isn't the same without you. Mrs. Merritt I wish you could be here for our graduation exercises. I never had any classes with you but I feel we had a good friendship. We really enjoyed our trip to Washington everyone had a wonderful time. Mrs. Merritt I want to wish you all the luck and happiness in the future. To a wonderful person and teacher. Remember me always.

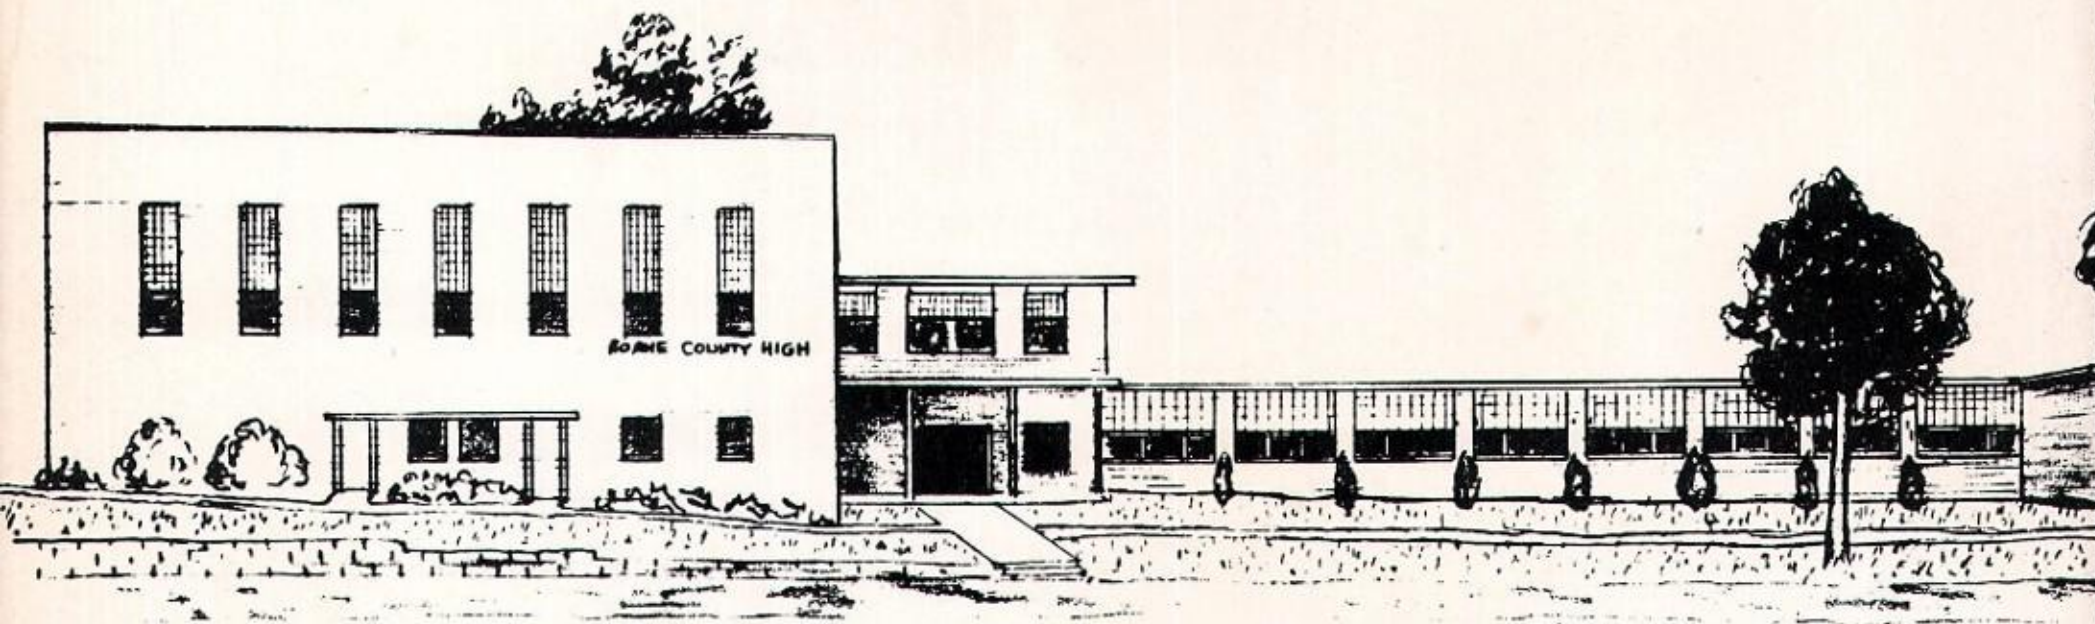

Love Pally Waller

OUR ALMA MATER

Just across the flowing river,
Stands Roane County High;
She's our Alma Mater ever
As the years go by.
She's a fair one; she's a true one;
She's our do or die . . .
Hail, to thee our Alma Mater,
Dear Roane County High.

Cherished by her sons and daughters,
Memories sweet shall throng.
Here's to you our Alma Mater,
As we sing this song.
Onward ever be our watchword,
Conquer and prevail . . .
Hail to thee our Alma Mater,
Roane County High, all hail.

DEDICATION

GERALD ROSS-DIRECTOR

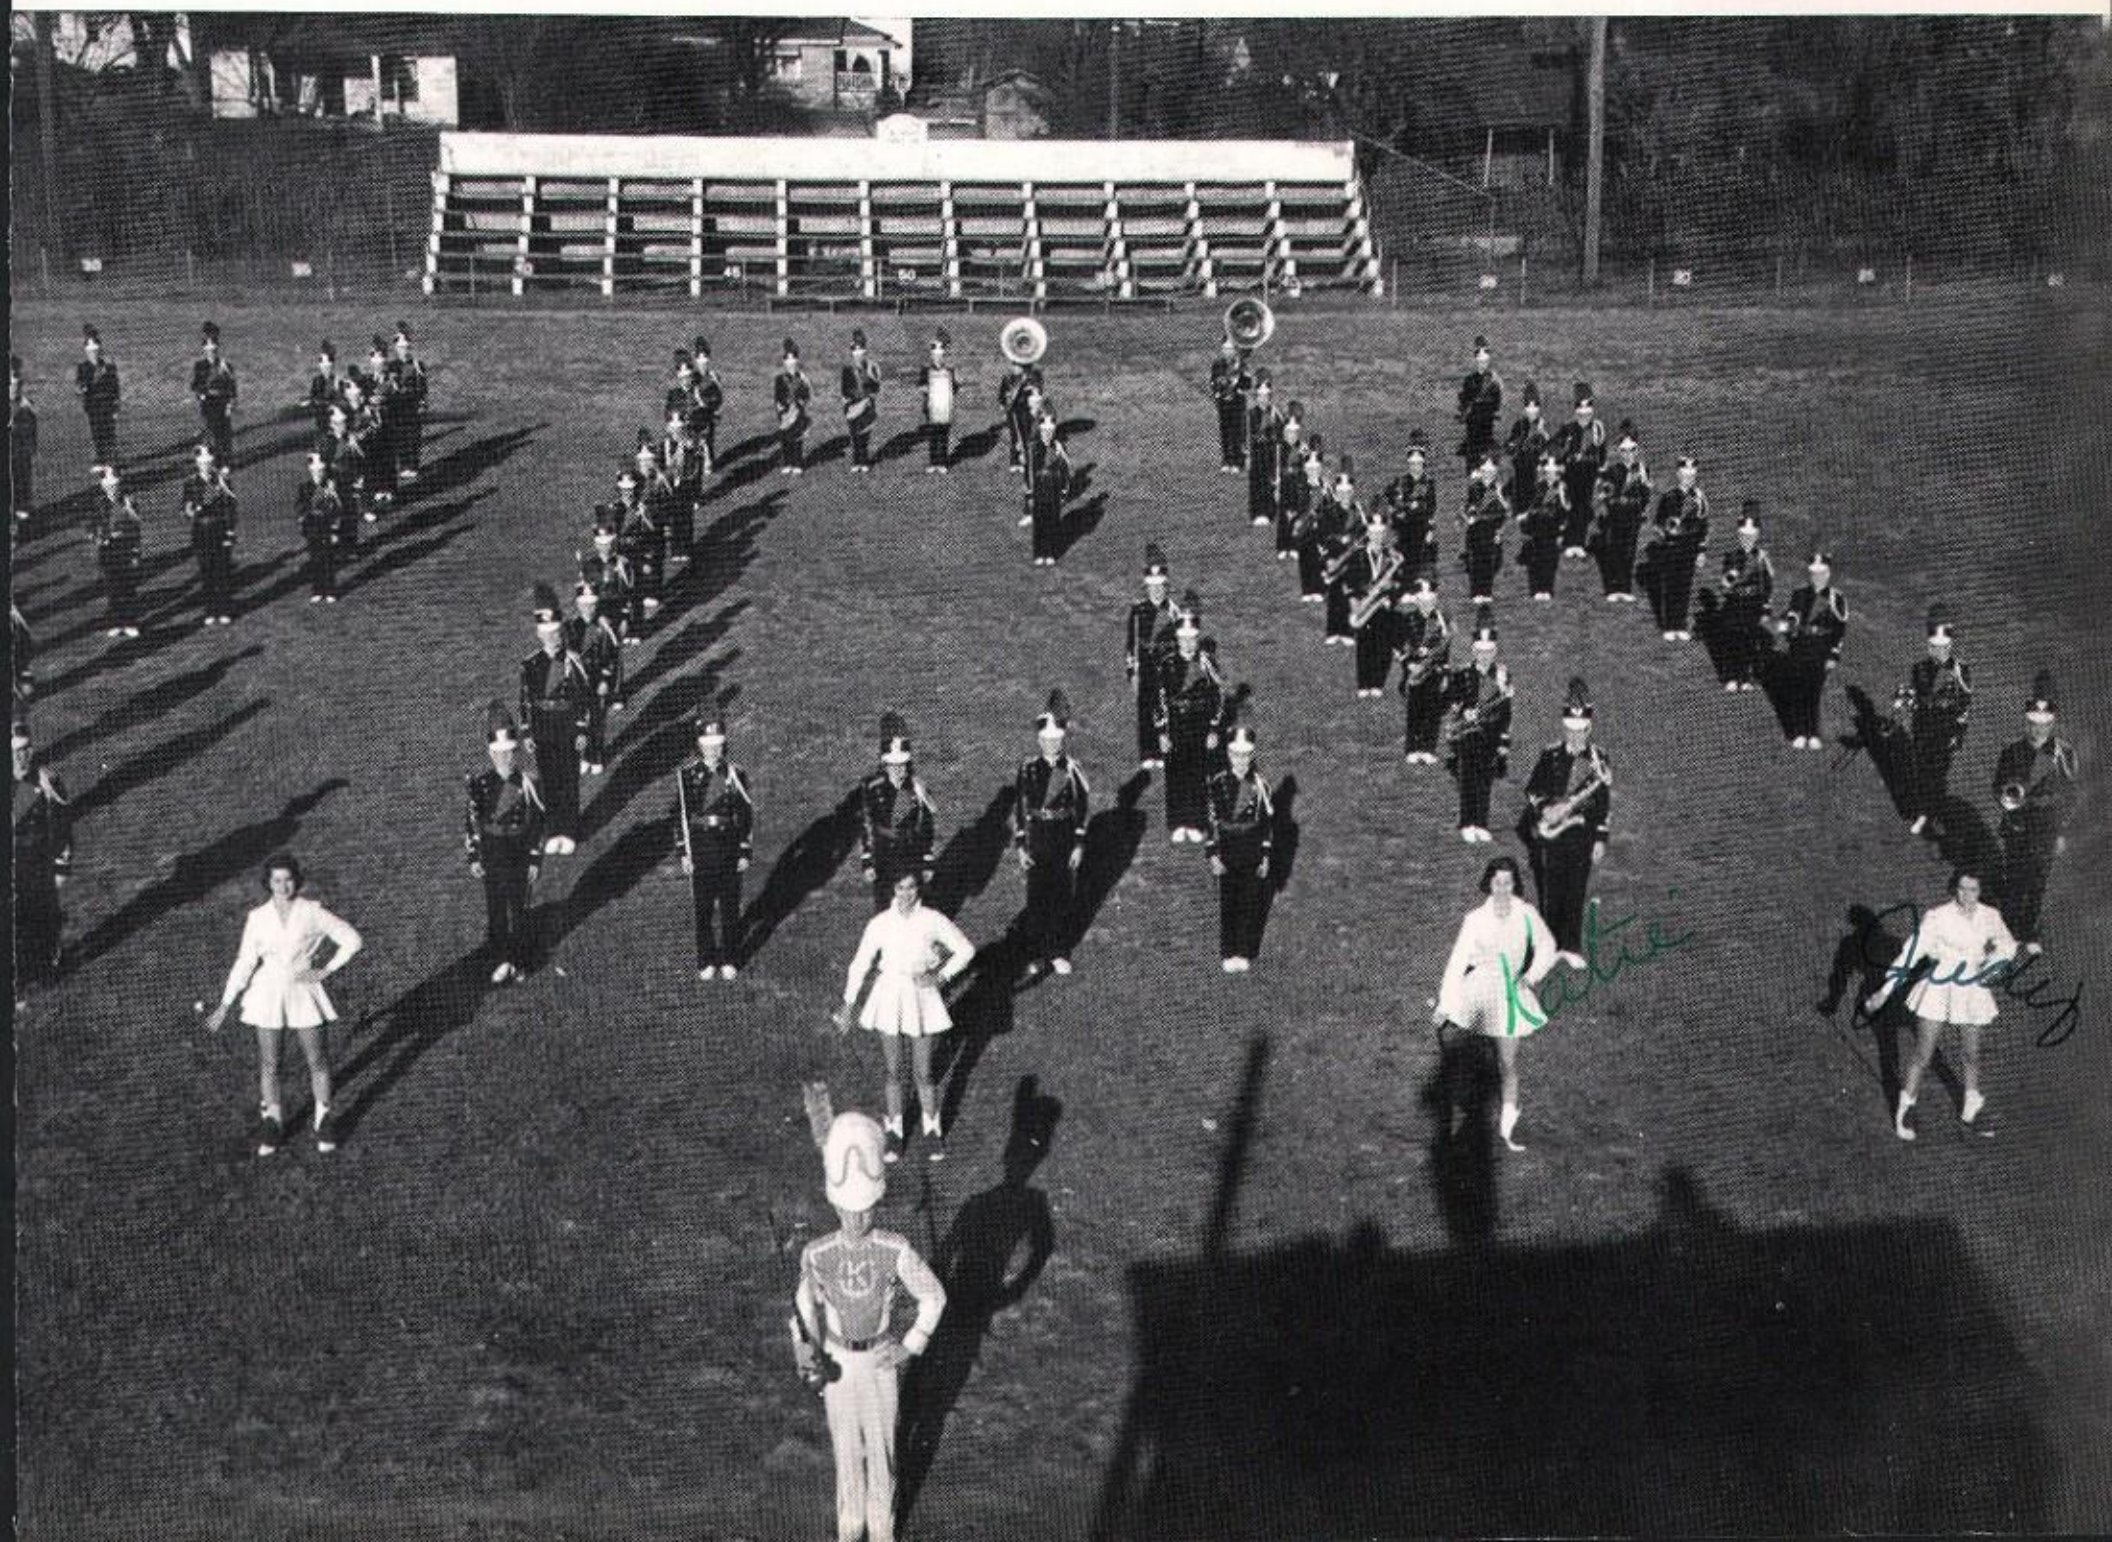

Rany, Cereta, Carole, Katie, and Judy wore many outfits in their various routines. These pretty girls enjoyed this year as much as the spectators.

Chuck Young was the first drum major for our band. He led Roane County's High School Band through many performances.

If you've ever seen the R.C.H.S. Marching Band, you've seen these high-stepping majorettes. These pretty and talented girls perform at halftime activities of all the football games along with the band. They're an attraction worth watching.

All four majorettes belong to the NATIONAL BATON TWIRLING ASSOCIATION.

Director--Mr. Gerald Ross

From timid freshmen, we were promoted to sophisticated-acting sophomores; then we became confident juniors. With the exception of a few exam failures, these three years slipped by, quickly, leaving only pleasant memories. The Senior year--then we were the bigshots of the campus that we had timidly trodden three years previously.

The next few pages picture some of those with outstanding character, who helped to make memories, that we will long remember, of "dear ole Kingston High."

Dear Mrs. Merritt;

I guess this will be the only way I will get to talk to you without writing a letter, so I thought I would drop you a couple of lines in this annual.

Gee, it sure does seem funny to know that in sixteen days we will be graduating and that then we will then be out on our own.

It has been a wonderful four years at "Ole R.C.W.S."; and I have enjoyed all of them very much. I only wish that ^{you} would have been here long enough for us to graduate, but "that's the way the mop flops!"

I want to wish you all the luck, love and happiness that I have wished to everybody else in their annuals, but for you, I mean it in a much sweeter way and with lots more love. Be good and stay as sweet as you are forever.

Love (your bestest
student)
Katie

Hi there,

This is the other buddy and I agree with everything Katie said. We do miss you. It seems funny, your not being here when all this excitement is going on. The annuals came today and that is part of the fun. Of course, if you were here, you'd be exasperated (what a speller!) with all the attention the students would be giving you.

But then, of course, on graduation night, you'd see us all up on the "doo-ma-fliggers", looking like angels.

I hope you are getting along fine in Florida, you lucky thing. I'd be right there with you if I could.

Best of luck to you
From your (next to the "bestest"
student)

Judy Reddison

Dear Mrs. Merritt -

I'm going to write you a letter, so this won't be very long. I just want to say that I miss you very much. Every time I see a car like yours I think it's you. I won the local Elbe Scholarship Award, and I'm sure it was because of your wonderful letter.

I can't express the feeling I have toward you except to say I love you very much and you truly have seemed like my "second mother".

Love,
Charline Reeve

Dear Mrs. Merritt,

This is your old laughing buddy Linda who was always the last one to catch on to everything in English. Aside from all kidding, we kids sure do miss you here at R. C. H. S. and I truly mean this. I have heard everyone say how much they miss you.

Mrs. Merritt, I certainly am ashamed of myself for not writing you a letter, but I will soon write a very long one.

I want to wish you all the love, happiness, and luck anyone could ever have. I still plan on coming to see you this summer, so be watching for me.

Love Always,
